

Everett Transit

The little agency doing big things

Everett Transit Bus Interactive Exhibit
Imagine Children's Museum, Everett, WA

Everett Transit: Partnerships

Community Transit and Everett Transit; working together

- In 2010 sales tax revenue will be shared between Everett Transit and Community Transit as part of *Swift* BRT
- Joint transit corridors allow Everett Transit to expand service

Everett Transit: Facilities

- Everett Station opened in 2002
- Mall Station opened in 2007
- College Station opened in 2008

Everett Transit: Red goes Green

- Everett Transit currently operates three fuel efficient diesel-electric hybrid buses
- ET is participating in a regional effort to obtain a federal grant to be used toward the purchase of fully electric buses along with recharging stations by 2012
